

Friends & Family Test – Patient Feedback

August 2024 – August 2025

- ✓ 81% of patients would recommend our practice
- ✓ Most patients rated their care as Very Good
- ✓ No patients rated their care as Very Poor

We are pleased that most patients are happy with the care they receive. We use your feedback to improve access, waiting times, and communication. Scan the QR code to leave your feedback or ask staff for help.
